Australia Vegetable Harvest

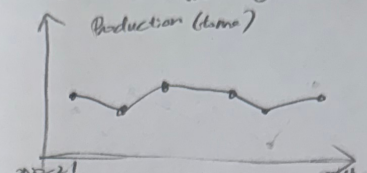

Crop, region, changing value

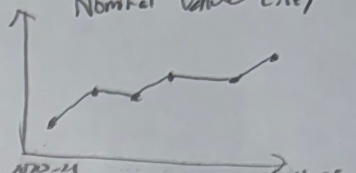

1 The national harvest

(1) Which crops dominate?

(2) Tonnes and value over time

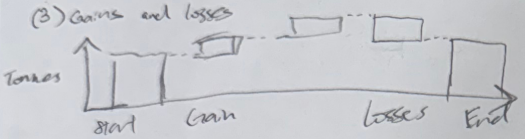

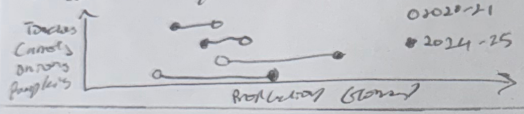

Little change to tonnes; higher nominal value

2 Which crops changed?

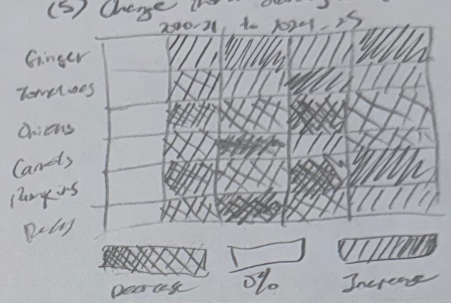

(3) Gains and losses

(4) Compare two years

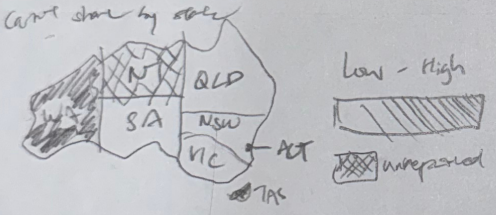

(5) Change from starting level

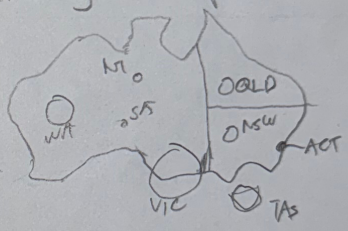

Relative to 2020-21

3 Where the vegetables grow

(6) Crop share by state

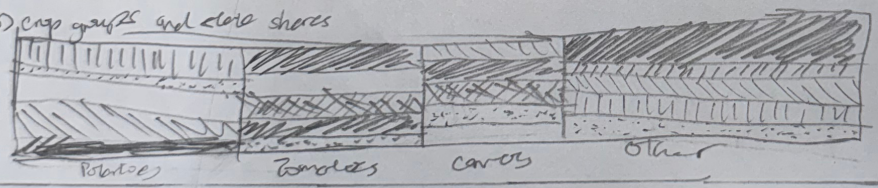

(7) Reported vegetable output

Circle area = tonnes

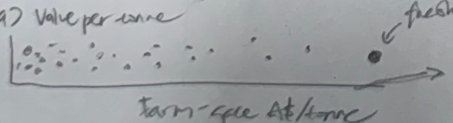

(8) Crop groups and state shares

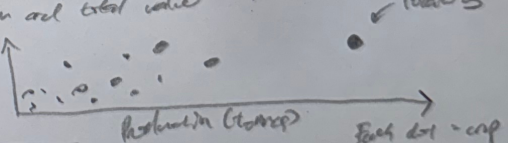

Width = tonnes; height = state share

4 Value and supply

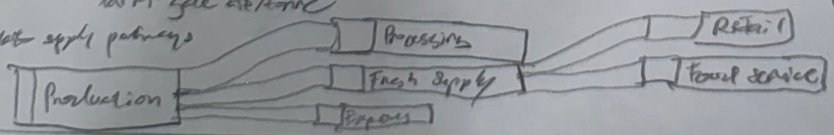

(9) Value per tonne

(10) Production and total value

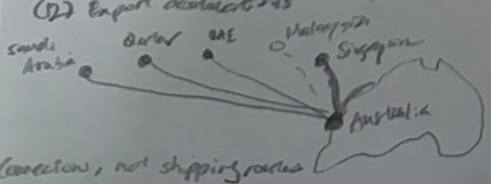

(11) Potato supply pathways

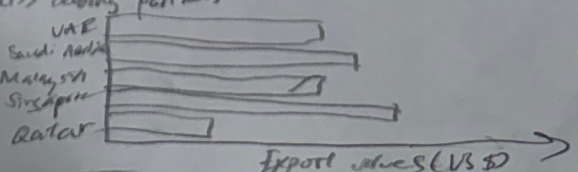

5 An export connection to Malaysia (Fresh/chilled carrots and turnips — 2025)

(12) Export destinations

Connections, not shipping routes

(13) Leading partners

6 Key takeaways

Workshop Monday 1PM - 3PM 27 Sep 2026 Ong Jin Xiang 34076352
Applied Thursday 4PM-6PM
